

Dear business partner,

this is to inform you that Messrs. Schorch Elektrische Maschinen und Antriebe GmbH have been acquired by Lindeteves-Jacoberg Limited / Singapore from the former owner elexis AG / Frankfurt.

Lindeteves-Jacoberg Ltd. is quoted on the Singaporean stock exchange, aimed to enlarge the business of drive technology in Europe and Asia.

Lindeteves-Jacoberg Ltd. with production plants in Australia and China - and now represented with Schorch in Germany – created the prerequisites to be successful on the European and Asian market. Lindeteves-Jacoberg Ltd. is today to be found on the European market, labelling with „Western Electric“.

With the acquisition Lindeteves-Jacoberg Ltd. strengthened its market position and also enabled Schorch to further expand its activities.

Schorch will retain its leadership in technology for the existing range of products and will enlarge the efforts concerning smaller shaft center heights.

Realizing this, we are sure to be an even better partner for you in the future.

For more details, please do not hesitate to contact us.

Kind regards,

Schorch Elektrische Maschinen und Antriebe GmbH
